Welcome to our practice! We are excited you have chosen our team of professionals to create positive smiles for your child(ren). To better serve you, we have prepared our office policies so that you may have an understanding of how our practice functions. If you have any questions, please feel free to ask.

PATIENTS

- ◆ We are **PEDIATRIC DENTAL SPECIALISTS!** That means we specialize in dental treatment for children. From the appearance of an infant's very first tooth until that same child graduates from high school, we want to be personally involved in maintaining a dazzling smile! Most children should be seen for the first time when the first tooth erupts or by one year of age, however we are happy to see infants and children of all ages. Our professional staff is skilled in making sure each child has a positive dental experience in our office!

APPOINTMENTS

- ◆ Dental decay is the number one disease among children. Many children in the Texoma area suffer from tooth decay. As a result, we have a long list of children who are waiting to be seen for an initial appointment. We have specifically scheduled an appointment for your child. We ask that you please be on time (preferably early!) for your appointment as we try to see each patient within 10 minutes of his/her appointment time. Because the appointment time has been specifically created for your child, we reserve the right to reschedule your child's appointment to another time if you are 15 minutes or more late (in consideration for our other patient families).
- ◆ It is the policy of this practice to exclusively treat children and the special needs patient. Children tend to react to the fears and concerns of their parents, and it is our experience that they are more responsive and cooperative to treatment if parents are not present during treatment. Because dental treatment is a surgical procedure, we want 100% of our attention to be on your child and your child's care. Therefore, we respectfully require that you remain in the waiting room while your child is being treated. **Parents should NOT LEAVE the waiting room area during the child's treatment.** This will enable us to have immediate access to you should we need additional information regarding your child. Once your child's treatment is complete, the dentist, hygienist, and/or assistant will speak with you to outline the treatment performed and necessary follow-up, if any. During the appointment, your child will be supervised at all times by a member of our staff. They will be encouraged to play at the Lego table, read a book, play with puzzles and games, play video games or watch TV. We want their time in our office to be remembered as a **FUN** time!
- ◆ We understand that there will be times when you will not be able to keep the appointment time that has been reserved specifically for your child. As a courtesy to the other children needing dental attention, **we request that you notify our office at least 24 hours in advance if you will be unable to keep your scheduled appointment time.** Appointments cancelled with less than 24 hours notice will be considered a broken appointment. For your convenience, an answering machine is maintained to allow you to leave a message after our regular office hours. Please feel free to call our office anytime, 24 hours a day! Please note that we reserve the right to dismiss your child from our practice for continued failure to keep scheduled appointments.

MEDICAID RECIPIENTS

- ◆ Dentaquest and MCNA policy requires that the dental provider your child will be seeing, be listed as their main dental provider through Medicaid. If our doctor is **NOT** listed as your child's current dentist, and you are unable to have this changed in adequate time prior to your child's dental appointment, it may be necessary for your child's appointment to be rescheduled.

PERMISSION FOR TREATMENT

- ◆ We request that parent/legal guardian bring the patient to his/her first visit so they can complete and sign the necessary forms and allow us to more specifically describe your child(ren)'s treatment needs or answer any specific questions you may have. A consent form will be required prior to any treatment. **In order to accommodate our patient families' busy schedules, you may assign others to authorize decisions about your child(ren)'s treatment. Please make sure you sign the Authorization for Treatment of a Minor form so that others you have specifically designated may make decisions about your child(ren)'s treatment.**
- ◆ Please note that only those people authorized on the form can make decisions regarding your child(ren).

I acknowledge that I have read and accept the above office policies of Pediatric Dental Specialists, P. A.

 _____, a minor child born on ____/____/____,

Hereby authorize other than legal parent / guardian:

_____	_____	_____	_____
(Name)	(Relationship to child)	(Name)	(Relationship to child)
_____	_____	_____	_____
(Name)	(Relationship to child)	(Name)	(Relationship to child)

to give consent for the dental treatment of the above named child(ren) for any dental condition that he/she may encounter; or to bring the child(ren) to PDS for routine checkups and associated procedures deemed necessary by PDS. I also authorize the dentist, hygienists, and staff at PDS to give information to the individual(s) named above regarding the diagnosis and plan of treatment, or any information necessary for the care of the above named child(ren).

- I hereby release PDS of any liability regarding release of this information on the above named child(ren).
- I understand that if someone other than the above listed on this form brings my child(ren) to the dental appointment, my appointment will be rescheduled for another time.
- I understand that only the above listed have permission to make decisions regarding my child(ren)'s dental treatment, and it is my or other legal guardian's responsibility to notify PDS of any desired changes.
- I understand changes can be made by a parent or legal guardian at anytime by filling out a new authorization for treatment of a minor, as these changes are not considered addendums to the existing form.
- I understand that even though I have authorized the above named to make treatment decisions regarding the above named child(ren), I will be financially responsible for this family account, and **I understand that payment is due at the time of service.**

Parent/Legal guardian	Date	Parent/Legal guardian	Date

Please INITIAL if applicable:

_____ I hereby authorize my child (ages 16 and above) to receive dental treatment (e.g. dental checkup, emergency visits, x-rays, cleaning, fluoride) without an authorized person accompanying him/her. I understand that a parent or legal guardian will continue to be responsible for completing the medial history until child is 18 years of age.

FINANCIAL POLICY

Welcome to our practice. Our office is committed to the overall health and well-being of children and their families, with a special emphasis on dental health and education. The following is designed to prepare and inform you of our policies regarding payment and insurance.

- Payment in full is due at the time of service. If the patient is covered by dental insurance, your estimated portion is due at the time of service. We gladly accept cash, check, ATM/debit cards, and major credit cards (VISA, MasterCard, Discover and American Express). We also accept CareCredit, a credit card that offers interest-free financing. If you are interested in applying for this card, please ask one of our office personnel for details.
- The parent and/or legal guardian who brings the patient for their initial visit is responsible for payment independent of what a divorce decree may state. Reimbursement must be made between the divorced parents. We will not intervene.
- We gladly verify benefits and file claims as a courtesy. It is our goal to help you receive the maximum benefits available under your dental insurance policy. We request you read and understand your dental plan benefits prior to seeking treatment. Please realize that the contract is between you, (the insured), and the insurance company. The amount of coverage you will receive will depend on the quality of the plan purchased by your employer, not the fees of the doctor. Also understand that as a dental care provider, our relationship is with you, not with the insurance company. This means you will be responsible for paying all charges not covered by your insurance company, including all fees considered above your insurance company's usual and customary fee schedule. Any balance remaining after insurance payment must be paid within 30 days of billing.
- If an insurance claim is not paid within 30 days, we request that you call the insurance company to see if it is being processed. If they have not received the claim, please get a fax number for us to re-file it.
- We do not accept medical insurance. If a procedure is deemed medical, we require payment in full at the time of service. We will provide a receipt with procedure codes for you to send to your medical insurance.
- Any unpaid balances over 60 days will be assessed a finance charge of 18% A.P.R., regardless of pending insurance claims. Any balances left unpaid over 90 days will be sent to small claims court and will be assessed a collection fee of \$65.00 plus any other costs/fees incurred while attempting to collect the debt. All accounts sent to small claims court will be dismissed from the practice.
- If your child requires any type of appliance, we will collect half of the fee at the time impression(s) are taken and the balance when the appliance is delivered.
- There will be a \$30.00 service charge for all insufficient checks that are returned.
- Please call our office immediately if you receive a statement for a balance that is in question.
- For accounts with credits, refunds are issued one time each month.

AUTHORIZATION

- I Authorize Pediatric Dental Specialists, PA to release any information concerning my case to my insurance company.
- I have read & accept the above Financial Policy, understand it & agree to the terms set forth regarding payment.
